

PHOENIX AERO CLUB & FLYING SCHOOL

TRIAL INSTRUCTIONAL FLIGHT (TIF)

A TIF is the first step in your aviation journey! If you've always dreamt of learning how to fly, this is the way for you to get started! Whether you're hoping for a future careers in the airlines, or are just looking for a new hobby, learning how to fly is a rewarding experience. You will learn incredible skills, as well as meet a variety of passionate people whom all share a love for aviation.

You will learn the basic theory of flight and be introduced to the aircraft and cockpit layout. The TIF consists of a pre and post flight briefing, as well as a half hour flight up in the air. During the flight you will have the opportunity to take control of the aircraft!

The time you spend in the air during your TIF will be able to be logged towards the first stage of licensing, which includes your first solo flight!

ON THE DAY:

- Wear loose, comfortable clothing appropriate for the weather forecast.
- Sunglasses and a hat are highly recommended, as well as a water bottle.
- Bring your family/friends along to share in your excitement and they can watch you take to the sky right from our clubhouse!
- We invite you to stay and enjoy our facilities and meet other members and instructors to chat about your exciting new experience!

"Nobody forgets the experience of their first solo flight"
